

girl scout safety song

(Sung to the tune of "You are My Sunshine")

We're selling cookies,
Yes, Girl Scout Cookies,
And we'll be safe as
We make our way.
We always show that
We are the Girl Scouts,
And we only sell during the day.

We sell with buddies
And not by ourselves.
We never enter
Homes as we go.
We never give out
Our names and numbers
And we let our adults hold the dough.

We're selling cookies,
Yes, Girl Scout Cookies
And as we do so
We'll all have fun
But as we reach for
Our goal this season
We'll keep safety Number One.

"You are My Sunshine," first recorded in 1939, is attributed to Davis and Charles Mitchell.
The state song of Louisiana, it has been sung and recorded by hundreds of musicians and used in many movies.
